

---

The most significant and important Islamic book, the Koran or Quran is probably the most popular sacred text in all of human history. The Rekening Kebenaran Mandiri (RKM) pdf version can be found here. This kind of religious discourse uses a unique style of argumentation based on the theory of ikhtilat (the significance attributed to an event that has implications not limited to itself). There is no significance in reciting this verse alone; it must be juxtaposed next to other verses in order for it to make sense and be understood correctly. The Koran is said to contain 114,270 verses and commands Muslims via the very specific methods necessary for their success should they follow its instructions. The RKM pdf version is also translated into Indonesian language and the url of the site is <http://rekeningkebenaran.com/koran-skrip.pdf>. The main topic discussed in this Rekening Kebenaran Mandiri (RKM) pdf version is about compassion, sympathy, and affection; personal responsibility; social justice; charity; and financial transaction. This Rekening Kebenaran Mandiri (RKM) pdf version can be found here. The RKM pdf version is a commendation of the work of a community acting in mutual aid and solidarity at a time when so much humanitarian aid is provided by the rich countries to the poor countries, and so much war is being waged in the name of religion, politics, and foreign policy. In light of these issues, the RKM pdf version addresses this "universal" issue from an Islamic perspective by approaching it from various angles: The Rekening Kebenaran Mandiri (RKM) pdf version can be found here. The RKM pdf version is a translation of the RKM Indonesian version pdf, which discusses charity used for the purpose of helping one's Muslim brothers who are in need. The validity of this Rekening Kebenaran Mandiri (RKM) pdf version is said to be based on authentic hadith, which is an example of religious discourse that uses logos. If there are two opinions about any issue, the matter should be resolved by referring to the sayings of Prophet Muhammad. This kind of religious discourse has a definite logical structure or method by which it proceeds from one stage to another. The Rekening Kebenaran Mandiri (RKM) pdf version can be found here. The main topic discussed in this Rekening Kebenaran Mandiri (RKM) pdf version is about the importance of cleanliness. The reason given for this kind of Islamic discourse is that Allah loves cleanliness. The correct response to the need for cleanliness is the proper action required by Islam. This kind of religious discourse uses a unique style of argumentation based on the theory of ikhtilat (the significance attributed to an event that has implications not limited to itself). There is no significance in reciting this verse alone; it must be juxtaposed next to other verses in order for it to make sense and be understood correctly.
